Details

We are excited to announce that ***Parents Week*** will take place from **December 9th to December 22nd**. During this time, you'll receive an email informing you of the specific night you can join your child on the floor. This is a wonderful opportunity to get an up-close look at the hard work your child has been putting in.

Photo Opportunities

Coaches will allow photo opportunities so you can capture the moment with your child. Please be mindful and only take photos of your own child. We have families who have not given consent for their child's photo to be published, so we ask that you respect their privacy.

Please Note:

- Due to our capacity limits, we will need to break Parents Week into small groups.
- Only one parent per child will be allowed on the floor at a time. Other family members can wait in the viewing area and trade with the parent on the floor.
- Other classes will still be running during this time, so please be considerate of the ongoing activities.

NINJA NEWS

The Spirit of Ninja Warrior-- Coach Sam

The spirit of Ninja Warrior is centered around inclusivity and support. It emphasizes the athletes competing against the obstacles, rather than against each other. Unlike other sports, where teams may root against one another, the Ninja Warrior community is known for its camaraderie and encouragement among athletes. As the Director of Recreational Programs at Kemptonville Infinity, one of my goals is to create a rewarding training program for all athletes and parents.

Recently, one of my athletes desired to pursue his dream of appearing on national TV to compete as a Ninja Warrior. I responded with a rhetorical question: "Why not?" This response reaffirms the popular saying, "The journey of a thousand miles begins with a single step." It is a privilege for us at Kemptonville Infinity to provide a platform for everyone in our community to showcase their talents under the auspices of our coaches.

A Glimpse into Ninja Activities

Ninja is a sport that relies on body-weight strength, meaning anyone can participate. Moms, dads, and kids can all enjoy training together in a family-friendly environment. Unlike many other sports that separate men and women into different leagues or require them to compete on separate apparatus, Ninja Warrior levels the playing field. In training and competitions, Ninja welcomes participants of all genders on the same course. Kemptonville Infinity Ninja Athletes, from Orcas to Sharks, have been enjoying a variety of fun Ninja tasks, and the feedback has been overwhelmingly positive. As this year ends, it is essential to start preparing for next year. In December, Kemptonville Infinity Ninja Athletes will attempt various skills in a more intense but fun-like environment. They will be testing the waters in preparation for our 2nd Edition of the KI Ninja Warriors in-House Challenge slated to be held in January 2025. Stay tuned! In closing, let's remember this quote: "The power that can magically transform our lives into greatness lies within us all, and it is time to unleash it."

Spirit Team News

In addition to continuing to work on their spirit team routines for upcoming community events, they will be volunteering as bell ringers on December 21st to support the local Salvation Army. We are proud of their community involvement.

Cheer News

Coach Hailey and Coach Fiona are thrilled to begin the next chapter of cheer at Infinity. With longer practices and a larger team, there's nothing we can't do! We're excited for the endless opportunities ahead, filled with new skills, fun, and family at Infinity.

Kinder/Seahorse News

PJ Week & Stuffed Animal Fun - Dec 16-22

In the final week of the session, our Kinder athletes will be celebrating with PJ Week! If they would like, they can bring a special stuffed animal to join in the fun. Coach Amanda has something exciting planned ahead for that week!

DID YOU KNOW?

We hope you will enjoy this ongoing feature in our newsletter to provide you with answers to some frequently asked questions.

Policy of the Month: Viewing Room

We kindly invite parents, friends, and relatives to view their athletes from the upstairs viewing area. To ensure a positive environment for all our athletes, we ask that parents refrain from yelling from the stairs or remaining on the gym floor during classes, as this can make some athletes feel shy and hesitant to perform their skills.

For your convenience, we've set up a television that shows four sections of the gym, so you can still watch your child in action. We also want to ensure that all families are accommodated: if you or a family member have accessibility needs, please let us know, and we'll make arrangements for viewing from the floor.

Additionally, we offer a Parents Week at the end of each session, where parents are invited to join their child on the floor during class to watch them demonstrate the progress and skills they've worked hard on throughout the session.

We greatly appreciate your patience as we work toward building a new facility that will make viewing even easier for all families. Thank you for your understanding and support in helping us maintain a positive atmosphere for all athletes.

Put your name on it

Boots, hats, mitts... winter has arrived, and with it comes tons of "stuff". Chances are that someone else has the same boots as you do, and accidents can happen with kids taking the wrong boots home. Avoid having this happen, and put your name on everything!

LOST AND FOUND -

Please remember to check out the lost and found collection located on the window at reception for water bottles, pants, shirts and hair accessories. It will be donated at the end of each semester if it is not labelled.

Need help registering for any of our classes?

Email admin@kemptvilleinfinity.com and Ashley would be happy to help find the right class for you and your child. For the competitive program, please email competitive@kemptvilleinfinity.com.
