Infinity is pleased to offer a special Kids Night Out on Friday, Feb 14th
Checkout page 8 to find out more!

Word of the Month : LOVE

At Infinity, we strive to embrace and celebrate diversity in all its forms. Each month, we select one word and explore how many different ways we can say it. Thanks to our Infinity families for their contributions to the word board in our reception area. Through this initiative, we are not only learning different languages, but also gaining a deeper understanding of our athletes and their backgrounds.

We appreciate your continued support in making our gym a place where diversity is celebrated!

INFINITY'S MEN'S ARTISTIC GYMNASTICS (MAG) ATTENDING ELITE CANADA *competition*

We are proud to announce that 2 talented athletes will be representing Kemptville Infinity at the Elite Canada MAG competition in Markham, ON Feb 14-16. This competition brings together some of the best gymnasts from coast to coast across the country!

AIDAN LI, a 22-year-old and the reigning Canadian champion on pommel horse, will represent Kemptville Infinity this year at both Elite Canada and the Canadian Championships in Alberta this May. Aidan, coached by our Competitive Director Wajdi Bouallegue, has been competing in the NCAA in the U.S. for the past five years.

He recently posted an impressive 14.650 on pommel horse at his last meet, the highest score in the U.S. We're incredibly proud to have him on our team and are excited to support him as he aims for the LA Olympics in 2028.

YASIR EL SAKKA has been training since he was 7 and is incredibly talented. He has won many medals and Coach Wajdi believes he has the talent and drive required to be a future Olympian. He has also recently qualified for the Canadian National Championships in Alberta. Yasir has also been selected to represent Team Ontario in the Tour Selection competition in Alberta this March. We are proud that Yasir also shares his talent as a coach at Infinity.

**ATTENTION
PLEASE**

NO MEDIA POLICY

As our gym continues to grow, we've received an increasing number of requests for No Media Consent. To ensure the safety and privacy of all our athletes, **we are now prohibiting any phones on the gym floor.** However, we will host a special day during Parents Week, where you will have the opportunity to take photos of your child performing skills while you're on the gym floor with them.

We kindly ask that all families respect these guidelines, as they are in place to keep all our children safe.

Thank you for your understanding and cooperation!

NEW STAFF

ANNIE

We are fortunate to add Ann Lalonde to our Infinity admin and reception team. She will also be our new events coordinator. Annie is a mother to 2 girls and a proud, lifelong resident of North Grenville. A woman of many talents, she will be a great addition to our Infinity family. She is very active as a volunteer in our community and is a very committed guiding leader in Oxford Mills.

JACOB

Jacob is starting with Infinity as a CIT and will be assisting with our Ninja classes. He is an intense athlete, parkourist, climber and mountain biker. Jacob is multilingual, english, french, german and un poquito español. As a grade 10 french immersion honour roll student at St. Michael's H.S., he participates in band, cross country and track and field.

KATY

Katy Ferguson is also a new part-time addition to the admin and reception team. She is a mom to 3 daughters and a son. Katy is a very active volunteer in our community, including chair of parent council and many, many other activities. She is also a former soccer coach and former KYC board member. Katy's volunteer work was recently recognized as a recipient of the King Charles III Coronation Medal.

Please welcome them to our Infinity family as you see them in the gym.

FOREST OF DREAMS (INFINITY'S NEW HOME)

UPDATE ON NEW HOME FOR INFINITY

We are sure that many of you have wondered how things are going with our plans for a new home for Infinity? We have been busy getting all the background studies done in support of a building permit which was preliminarily approved by the Municipality in December. The only thing delaying construction at this time is the need for more investors as construction and development costs have gone up since this project was started in 2022; so if you know of anyone who would like to invest and become shareholders in Forest of Dreams and make a difference in the recreational future of North Grenville, please have them contact mary@kemptvilleinfinity.com for more information. Investments of any amount will add up.

Of course, recognizing the need for us to have larger space ASAP, including air conditioning for the summer, we may now be able to stay where we are and take over the Outer Creations space and also build on to the building and we continue to work on this possibility with our landlord. We have also made inquiries to lease the Peavy Mart building when they are closed. If either of these options allow us to move into larger space sooner, we may proceed with that option and develop the Forest of Dreams space at a later date. Since the plans are already approved for the Forest of Dreams site and it is shovel ready, this may still be our fastest option vs designing new space.

We appreciate your patience and understanding as we try our absolute best to find a new suitable home for Infinity as soon as possible.
