Word of the Month : **LUCKY**

At Infinity, we're focusing on the word "Lucky" this month—it's all about good fortune, finding joy in the small moments, and sharing positivity! We would like our families to help us learn how to say Lucky in a variety of languages. Feel free to add to our Athlete board in reception.

Here are some fun ways to embrace "Lucky" this month:

- 1. **Lucky Charms** – What makes you feel lucky? Share it with the group!
- 2. **Lucky Color Day** – Wear your favorite color this week and see if it brings you good luck!
- 3. **Good Luck Notes** – Write notes of encouragement or good fortune for your friends.

Remember, luck isn't just about chance—it's about making your own good fortune by spreading kindness and positivity!

Kinder Program looking for Donation!

We are currently looking for donations of ball pit balls to brighten up our space in the Kinder Room! While we'd love to stick with our gym's colors, we are open to accepting any ball donations. If you've got any extra balls or know where we can find them (we've heard Temu has great deals!), we would be so grateful.

Thank you for supporting our kids' playtime!

LUMINUS Cheer Team Update

Infinity's cheer team, now officially named Luminus, has been working hard on new stunts and tumbling skills for their upcoming routine! We're excited to see athletes executing one-foot main stunts and showcasing elite Level 1 tumbling techniques.

Coaches Hailey and Fionna are incredibly proud of the progress and dedication the team has shown this month. Not only are they developing their skills, but new friendships are blossoming, and team bonding is stronger than ever! Our athletes have also been preparing for the dance portion of the routine, adding even more excitement to the season.

We currently have spots available for our Recreational Level 1 cheer team.

Join now and be part of the fun!

POLICY of the month: Kemptville Infinity Bad Weather Policy

At Kemptville Infinity, the safety of our students and families is our top priority, especially when it comes to unpredictable weather conditions. As we know that many of our families travel from out of town, we want to make sure that you are informed about how we handle class cancellations during inclement weather.

Decision-Making Process:

We make every effort to assess weather conditions and road safety to determine whether classes should proceed. The decision to cancel classes is based on:

Road conditions: We evaluate whether roads are plowed and safe for travel.

Weather forecasts: We monitor upcoming weather patterns and their potential impact on driving conditions.

Cancellation Times:

Weekday evening classes: The decision will be made by 2:00 PM on the day of the class.

Weekend classes: The decision will be made by 7:30 AM on the day of the class.

Communication:

Social Media: The fastest way to receive updates is through our Facebook or Instagram pages, where we will post information about cancellations as soon as the decision is made.

Email: We will also send a class email notification to affected students. However, due to the volume of cancellations, this may take up to 30 minutes after the decision is made. Please be patient as we work to notify everyone.

Makeup Classes and Refunds:

Makeup classes: In the event of a class cancellation, we will offer a makeup class if a 5th class is available in a given month. Please note that we do not charge for a 5th class, so it will serve as a makeup option for canceled classes.

Refunds: Unfortunately, we cannot offer refunds for weather-related cancellations, as we do not plan for these events in our schedule.

We greatly appreciate your understanding and support. Our goal is always to prioritize safety while providing the best experience for our students.

Thank you,
The Infinity Management Team

We are excited to invite you to Parents Week from March 17th to March 30th, where you will have the opportunity to join your child on the floor during their class and see their progress firsthand!
